Click this symbol to read about SCOUT and get contact information or help

Click this symbol to search by Parcel, Address, or Section, Township, & Range

For Example:

Parcel	35182.4601
Address	1116 W Broadway Ave
Intersection	Broadway & Monroe
Section	182543 (SSTTRR format)

Measurement

Activate the Measurement tool by clicking on the word Measure...

Measure   Measure is off

✓ Measure   Measure is on

Select one of the measure tools (Area, Distance, Location) then click on the map to start measuring and double-click to finish
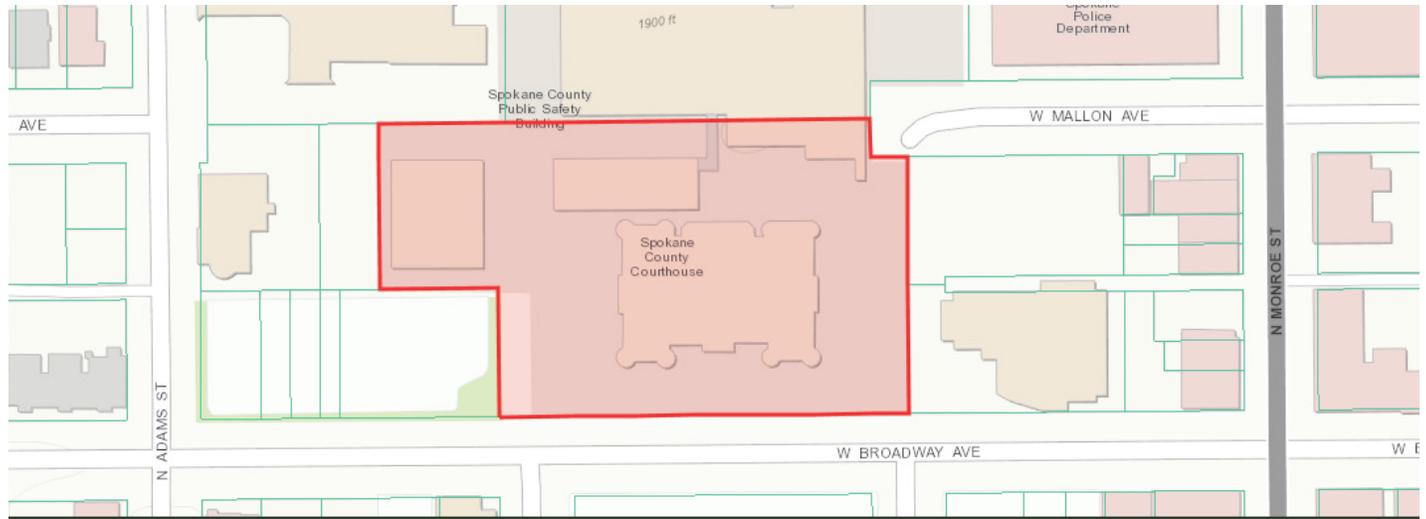

Measurement Result

Press **CTRL** to enable snapping. Turn off the Measurement tool to turn on parcel selection.

Why is the screen split in half?

SCOUT has two portions, the upper map portion and the lower "More Info" portion.
Splitting the screen allows SCOUT to highlight additional information about each property.
Search or click on a property to view this information. It's organized into four sections:
Tax Parcels, Districts, Permits, and Zoning.

| Tax Parcels | Districts | Permits | Zoning |

Click on the image to view larger

	35182.4601
	View more parcel information
Site Address and Owner Info	Address
